

MCM Pool Season Opening 2022

Our pools are opening for the 2022 season on Saturday May 7th!
In preparation, please review the information below:

- ⇒ We have a new gate system so please test your card to ensure that it works before you plan to go to the pool to swim. You can reach out to the property management company to have any issues experienced corrected. Please bear with us as we roll out this new system and try to work out the kinks.
- ⇒ When reaching out to the property management company about key card issues, please send an email to the below email address with your name, house address, key card number and a picture of your key card so that they have all the information they need to correct the issue for you: ryan@legacysouthwestpm.com
- ⇒ The new pool ours are 6:00 am to 10:00 pm daily – Monday, Wednesday, and Friday mornings the pools will be closed for an hour after they are cleaned. This will usually be between 6 and 9.
- ⇒ Please remember that it is a violation to open the pool gate for anyone who does not have their pool key card or if their pool key card is not working. Our pool areas are subject to vandalism every year and get a lot of traffic from our neighboring communities. Please help us to keep our pool areas maintained for the summer!
- ⇒ If you need to request a pool key card, you can do so at the below link. Please note that it could take up to 10 days or you to receive your card. If you have already submitted this form, then the management company has received your request and you should receive you new pool key card soon.
<https://www.marinecreekmeadows.com/homeowner/online-forms/pool-access-request.aspx>
- ⇒ We are working to roll out phone access for the pool gate system as well which will allow you to be able to use your phone as your pool key card. More information to come on this.
- ⇒ We are planning a pool party for the summer and will have additional details on that towards mid-summer.
